A detached chalet style property pleasantly situated in a private road in south Rustington between the village centre and seafront.

In brief the accommodation comprises: - entrance hall, inner hall, bay fronted lounge and dining room, ground floor fourth bedroom/study, bathroom/WC, additional separate shower/utility room and three first floor bedrooms. Outside there is a front garden, private drive to garage and a feature well established 75' x 50' south facing rear garden.

In our opinion there is lots of scope and potential for a new owner to re-configure and modernise the accommodation to create a spacious and versatile property with lovely grounds in a most sought after road.

Knightscroft Avenue runs parallel to The Street and runs between Sea Lane and Broadmark Lane, which has an electrically operated gated access.
